

The United States of America

National Intelligence Community

CITATION

Senator Evan Bayh

is hereby awarded the

*National Intelligence
Distinguished Public Service Medal*

in recognition of his extraordinary service to the nation. Senator Bayh has been a steadfast ally of the intelligence community through his unwavering support of the men and women whose tireless but often unsung efforts keep our country safe. Senator Bayh's commitment to ensuring the intelligence community has the tools and resources needed to succeed in its mission is unparalleled. Through his dedicated leadership serving on both the Senate Select Committee on Intelligence and Senate Armed Services Committee, Senator Bayh provided steady oversight and thoughtful direction that helped transform yesterday's intelligence capabilities to meet today's intelligence challenges. As an encouraging, constructive advisor, Senator Bayh provided invaluable counsel to the intelligence community with the vital understanding of how complete, accurate and timely intelligence can impact this nation's most valued customers. His measured critiques brought about significant change which improved every aspect of the intelligence process. Senator Bayh's distinguished service reflects the highest commitment to the security of the nation.
